

## 2010 Touchstone Energy Sports Basketball Camp

Kate Tawes, who attended the June 2009 Touchstone Energy Sports basketball camp, was honored on February 28 at Reynolds Coliseum during the women's basketball game between NC State University and Georgia Tech. This honoree celebration was one of the benefits awarded to the 23 North Carolina female students who attended the 2009 basketball camp in Raleigh. The summer Touchstone Energy Sports basketball camp is offered annually through CHEC. Kate is the daughter of Kathy and Andrew Tawes of Buxton and attends Cape Hatteras Secondary School of Coastal Studies.

The 2010 Kellie Harper camp will be held June 20-23 at North Carolina State University in Raleigh and the 2010 Roy Williams camp will be held June 19-23 at the University of North Carolina at Chapel Hill. All expenses for the camps will be paid by CHEC. Transportation to and from the camps is the recipients responsibility.

At present, there are two opportunities for one female and one male student, from up-coming grades 6, 7 & 8. The deadline for students to apply to either camp is March 31, 2010. Applicants will be judged on their application, essay and extracurricular activities. For more information on the Touchstone Energy Sports Camp scholarship program, visit [www.ncelectriccooperatives.com](http://www.ncelectriccooperatives.com) or Anne Swain [annes@chec.coop](mailto:annes@chec.coop) or call 995-7082. Participating in this summer basketball camp could be YOUR experience of a lifetime!
